

Surface Mount Speaker For In-Office Paging And Music

P-Tec Speaker

S-525

Patented push-to-lock, surface mount speaker installs in tile ceilings and offers high performance for background music and voice paging systems in open offices where speaker relocation is made easier.

- Easy and quick installation in drop tile ceilings
- Patented push/lock mounting—no holes to cut
- Wide dispersion of sound to give non-intrusive paging
- Lightweight and easy to mount and move
- Adjustable from 1/4 to 4 watts
- External volume control
- Operates on 70 volt speaker lines
