

LIGHTWEIGHT, HANDS-FREE CONVENIENCE WITH EXTERNAL RECEIVER FOR EXCEPTIONAL COMFORT AND SOUND QUALITY

- **All-Day Comfort.** Lightweight over-the-ear design fits over your ear—so comfortably you may even forget you're wearing a headset.
- **External Receiver.** Tiny receiver (about the size of a quarter) rotates to rest comfortably on the outside of your ear.
- **Superior Sound Quality.** Delivers unmatched acoustic quality at a safe and comfortable listening level.
- **Flexibility to Meet Specific Needs.** Voice tube model is adjustable and unobtrusive. Designed for noisy environments, the noise-cancelling model blocks out up to 75% of background noise.

No headband, no eartip, no hands, no hassles. The Mirage[®] headset's stylish and comfortable ergonomic design provides no-hands freedom.

Its rotating receiver rests lightly on the outside of your ear. In addition, the entire headset weighs less than 3/4 of an ounce.

The Mirage headset is available in two models to meet your specific requirement. The voice tube model features a clear and adjustable voice tube for excellent performance in most environments. For noisy environments, the Mirage headset with noise-cancelling microphone helps to filter out most background noise.

MIRAGE[®] HEADSET

*Over-the-ear design
delivers concert-hall
acoustics*

H41: Mirage® Headset

Lightweight, single ear design provides excellent performance and comfort.

- External receiver rotates to rest lightly against the outside of ear
- Headset may be worn comfortably and securely over either ear
- Lightweight design
- Clear, adjustable voice tube
- Quick Disconnect™ feature
- Adjustable clothing clip

H41N: Mirage® NC Headset

Combines the features and performance of the H41 model with noise-cancelling microphone technology to reduce the transmission of background noise.

- Noise-cancelling microphone limits background noise
- External receiver rotates to rest lightly against the outside of ear
- Headset may be worn comfortably and securely over either ear
- Lightweight design
- Flexible microphone boom
- Quick Disconnect™ feature
- Adjustable clothing clip
