

## 100 DS1 Modules (61891)

- ✓ Connects one DS1 circuit (24 channels) that can be configured for either T1 or PRI service.
- ✓ Requires external CSU, CSU/DSU for appropriate applications.
- ✓ Limit three DS1/INA modules per system; limit two per carrier.
- ✓ Runs on both Merlin Legend and Merlin Magix systems.
- ✓ Clamshell required for Merlin Legend carriers.
